Looking for a Group of Management Minded Hunters for our 11,000 Acre Hunting Lease. 4 spots remaining (groups and/or individuals welcome). \$3,250.00 per hunter. We are MLD3.

This is a beautiful piece of West Texas with whitetail deer hunting at its finest. Awesome shot opportunities with big hills, deep ravines, and large flats. We do have electric and running water but you will need to provide your own lodging.

Family and friends are welcome. They will hunt off of your deer count.

This is a special opportunity and won't last long. Call or text Chris for more details or to schedule a showing of the property.
